In final Bi-State Late Model point standings, in the event of a tie, first tie breaker will be based on *loyalty*, second will be whoever had *most wins*, followed by top 5 finishes, and top 10 finishes, etc.**In the event of a Rain-Out:** IF the event is cancelled ***AFTER*** the draw has closed (6:00 p.m.) show-up points **will be awarded to each driver in attendance.**

IF the event is cancelled ***PRIOR*** to the draw closing time (6:00 p.m.), *show-up points* **WILL NOT** be awarded for drivers that have already signed-in at the track.

This method will not penalize drivers that travel several miles and compete for season championship points.
